Department of Forest Resources Management
Faculty of Forestry
University of British Columbia
4615-2424 Main Mall, Vancouver BC V6T 1Z4, Canada
E-mail: keun.park@ubc.ca

EDUCATION

- 2018 **Ph.D. in Metropolitan Planning, Policy & Design**, University of Utah
Dissertation: Measuring the dynamics of public space use using unmanned aerial vehicles (UAVs)
- 2010 **Master of Landscape Architecture**, Seoul National University
- 2008 **Bachelor of Science in Agriculture** (with concentration on Landscape Architecture), Seoul National University

ACADEMIC AND PROFESSIONAL EXPERIENCE

- 2021 – present **Assistant Professor**, Department of Forest Resources Management, University of British Columbia
- 2021 – present **Adjunct Professor**, Department of Landscape Architecture & Environmental Planning, Utah State University
- 2018 – 2021 **Assistant Professor**, Department of Landscape Architecture & Environmental Planning, Utah State University
Co-director, Visualization, Instrumentation and Virtual Interaction Design Laboratory (VIVID) Lab, Utah State University
- 2014 – 2018 **Research Assistant**, Metropolitan Research Center
Department of City & Metropolitan Planning, University of Utah
- 2010 – 2014 **Researcher**, Urban Research Division,
Korea Research Institute for Human Settlements
- 2008 – 2010 **Researcher**, Integrated Design and Landscape Aesthetic Laboratory,
Department of Landscape Architecture, Seoul National University

RESEARCH GRANTS

Competitively Awarded External Grants

- | | |
|------|---|
| 2021 | <p>Principal Investigator, “Evaluating and promoting transit connections to regional open spaces in Utah,” Utah Transit Authority (UTA) (\$27,000)</p> <p>Co-Investigator, “Understanding and mitigating active transportation fatalities involving impaired road users” (PI: Patrick Singleton), Utah Department of Transportation (UDOT) UTRAC (\$34,000)</p> |
| 2020 | <p>Co-Investigator, “Long-Range Urban Air Mobility Land-Use Planning for Vertiports” (PI: Brent Chamberlain), Utah Department of Transportation (UDOT) UTRAC (\$30,381)</p> <ul style="list-style-type: none"> • Role: developing a framework and spatial criteria for vertiport planning |
| 2019 | <p>Co-Investigator, “A Socio-Ecologic Framework Supporting Individuals with Disabilities’ Community Living and Participation” (PI: Keith Christensen), National Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR) (\$2,500,000 for five years)</p> <ul style="list-style-type: none"> • Role: developing and validating a socio-ecologic community infrastructure planning tool; building a computational community activity model <p>Co-Investigator, “Utilizing archived traffic signal performance measures for pedestrian planning & analysis – Phase II: Extending pedestrian volume estimation capabilities to non-signalized intersections” (PI: Patrick Singleton), Utah Department of Transportation (UDOT) UTRAC (\$50,000)</p> <ul style="list-style-type: none"> • Role: processing geospatial datasets and modeling pedestrian traffic volume |
| 2018 | <p>Principal Investigator, “Toward an understanding of the UTA customer experience: Focusing on out-of-vehicle environments,” Utah Transit Authority (UTA) (\$40,000)</p> |
| 2017 | <p>Principal Investigator, “Can a drone monitor park-based physical activity?”, Public Health Grant at experiment.com (a crowdfunding platform for scientific research) (\$3,651)</p> |
| 2016 | <p>Principal Investigator, “A case study of integrated urban regeneration projects utilizing rail station areas,” Research Grant for Young Scholars Abroad, Korea Land & Housing Institute (\$1,000)</p> |

2015 **Research Assistant/Project Manager (who wrote the proposal)**, “How does transportation affordability vary between TODs and TADs?” (P.I.: Brenda C. Sheer), National Institute for Transportation and Communities (\$35,705)

Competitively Awarded Internal Grants

2021 **Co-Investigator**, “Evaluating the efficacy of drones to monitor and assess forest service trail conditions” (PI: Brent Chamberlain), Utah State University Public Lands Initiative (\$9,240)

2017 **Principal Investigator**, “Not parking lots but parks: The impact of urban parks on sustainable travel behavior in station areas,” Graduate Student Research Funding, Global Change and Sustainability Center (GCSC) at the University of Utah (\$1,150)

2013 **Principle Investigator**, “Functionality and accessibility of linear parks based on the concept of park welfare,” Korea Research Institute for Human Settlements (\$10,000)

TEACHING EXPERIENCE

University of British Columbia

- NA

Utah State University

- Instructor, **Research Methods in Landscape Architecture** (2 credits; graduate), Spring 2019-2021
- Instructor, **GIS for Environmental Planning** (4 credits; undergraduate & graduate), Fall 2018-2020
- Instructor, **3D Landscape Representation** (3 credits; undergraduate), Fall 2018-2020
- Instructor, **Writing for Publication** (2 credits; doctoral), Spring 2020
- Instructor (co-teaching), **Advanced Geospatial Analysis and Visualization of the Environment (“AGAVe studio”)** (5 credits; undergraduate & graduate; *studio*), Spring 2019
- Instructor (co-teaching), **Graduate Reading Seminar** (1 credit; graduate), Spring 2019, 2020
- Instructor (co-teaching), **Issues in Landscape Architecture** (1 credit; graduate), Fall 2018-2020
- Guest instructor, Site Analysis and Design I (4 credits; undergraduate & graduate; *studio*), Fall 2018, 2019

University of Utah

- Instructor (co-teaching), **Urban Research** (3 credits; graduate), Spring 2018
- Instructor (co-teaching), **Research Methods in Urban Ecology** (3 credits; undergraduate), Fall 2016
- Teaching Assistant, **Urban Design Principles** (3 credits; graduate), Spring 2016

Seoul National University

- Teaching Assistant, **Topics in Environmental Aesthetics** (3 credits; graduate), Fall 2008
- Teaching Assistant, **Landscape Composition** (3-credit; undergraduate; *studio*), Spring 2008

AWARDS AND HONORS

- 2020 **Scientific Merit Award** (George, B. and Park, K. “Flying high: A case study of the integration of drones into a landscape architecture curriculum”), *Journal of Digital Landscape Architecture*
- 2019 **Honorable Mention**, “Can Ride-sourcing Services Make Households Less Car-Dependent?”, Lee Schipper Memorial Scholarship
- 2018 **TRB Best Paper Award** (Park et al., “Travel Behavior in TODs vs. non-TODs: Using Cluster Analysis and Propensity Score Matching”), Transportation and Land Development Committee (ADD30) of the Transportation Research Board
Arthur C. Nelson & Clark Ivory Doctoral Scholarship, Department of City & Metropolitan Planning, University of Utah
- 2017 **CMP (City & Metropolitan Planning) Scholarship**, Department of City & Metropolitan Planning, University of Utah
Sustainability Teaching Scholar, Sustainability Office, University of Utah
- 2008 **The 3rd Prize**, The 2nd National Competition of Korea Promising Landscape Architect, Korean Institute of Landscape Architecture & Korea Land Corporation
- 2008 **The 2nd Prize**, Design Competition of a Creative Park for Children, Seoul Metropolitan Government
- 2004 **Runner-up Prize**, The 2nd Rural Amenity Design Competition, Rural Development Administration
- 2007 **Scholarship for Overseas Field Trip**, Alumni Association of Department of Landscape Architecture, Seoul National University
- 2003 – 2008 **Student Scholarships**, Seoul National University

PROFESSIONAL PROJECTS (PLANNING/DESIGN)

9. Sutton, L., **Park, K.**, Anderson, D., Powell, J., & Singleton, P. (ongoing). *Active Transportation Plan for North Logan, UT*, North Logan City
8. Seo, M., **Park, K.**, Bae, H., & Kim, Y. (2014). *Urban Design Guideline for Pedestrian, Bicycle, and Transit-Oriented Development*. Ministry of Land, Infrastructure, and Transport

INVITED TALKS AND GUEST LECTURES

- 2021 “COVID-19 pandemic and unequal uses of parks and open spaces,” Forest for Life (Korea) (https://youtu.be/qD_f-RjXFLM; 8/26/2021)
- “If you build it, they may not come,” TEDxUSU (<https://youtu.be/SBkgi7fwHBA>; 3/5/2021)
- “Measuring a polycentric structure and planning implications,” University of Seoul (2/2/2021)
- “Renewed interests in parks during the COVID-19 pandemic and the equity issues,” The Korean Institute of Landscape Architecture (<https://youtu.be/Q-hguUm3rpA>; 1/28/2021)
- 2020 “Smart city and landscape architecture: Understanding the interaction between people and place first,” University of Seoul (11/9/2020)
- “Planning guide to polycentric developments,” Department of City and Metropolitan Planning, University of Utah (9/22/2020)
- “Measuring the dynamics of public space use using unmanned aerial vehicles (UAVs),” Texas A&M Design Research for Active Living (DrAL) (6/22/2020)
- 2019 “The connection between good urban design and street vitality,” CNU (Congress of New Urbanism) Utah Annual Breakfast Meeting (11/8/2019)
- “Building your career as a researcher,” Department of Landscape Architecture and Rural Systems Engineering, Seoul National University (7/1/2019)
- “Propensity score matching (PSM): A research tool for program evaluation,” Korea Research Institute for Human Settlements (6/18/2019)
- “Use of drones in public space research,” Department of Landscape Architecture, Dong-A University (6/5/2019)
- “Writing your dissertation proposal: Measuring the dynamics of public space use using unmanned aerial vehicles”, Department of City and Metropolitan Planning, University of Utah (3/20/2019)
- 2018 “Measuring public space use by drones,” Laboratory of Landscape Ecology & Climate Change Adaptation, Seoul National University (3/10/2018)

PERSONAL AND COMMUNITY SERVICE

- 2018 – 2021 **Ph.D. curriculum committee member**, Ph.D. program in Landscape Architecture and Environmental Planning, Utah State University
- College undergraduate scholarship committee member**, College of Agriculture and Applied Sciences, Utah State University
- Department scholarship committee member**, Department of Landscape Architecture and Environmental Planning, Utah State University
- 2018 – 2019 **Faculty search committee member**, Department of Landscape Architecture and Environmental Planning, Utah State University

- 2016 – 2017 **Doctoral committee member**, Ph.D. program in Metropolitan Planning, Policy, and Design, University of Utah
- 2008 – 2009 **President of Student Council**, The graduate school of landscape architecture, Seoul National University
- 2004 – 2006 **Conscripted firefighter** (for military service), National Emergency Management Agency (South Korea)
- 2003 – 2004 **Manager and founding member**, Edu-Planner (a startup business of education consulting)

GRADUATE COMMITTEE SERVICE

University of British Columbia

- NA

Utah State University

- Shuolei Chen, Ph.D. in Landscape Architecture, 2020, member
- Zach Warner, MLA, 2020, member
- Prasanna Humagain, Ph.D. in Civil & Environmental Engineering, 2021 (expected), member
- Ashik Rahman, Ph.D. in Civil & Environmental Engineering, 2022 (expected), member
- MD Rafiur Rahman, MS in Civil & Environmental Engineering, 2021 (expected), member
- Doohong Lee, Ph.D. in Landscape Architecture and Environmental Planning, 2022 (expected), member
- Lloyd Sutton, MLA, 2022 (expected), member
- Hooman Hadayeghi, MLA, 2022 (expected), chair
- Sailesh Acharya, Ph.D. in Civil & Environmental Engineering, 2022 (expected), member
- Katelynn Hall, B+MLA, 2022 (expected), member

University of Utah

- Dong-ah Choi, Ph.D. in Metropolitan Planning, Policy, and Design, 2021 (expected), member
- Neda Kiani, Ph.D. in Metropolitan Planning, Policy, and Design, 2022 (expected), member

REVIEWER OF JOURNAL MANUSCRIPTS AND CONFERENCE ABSTRACTS

Guest editor

- *International Journal of Environmental Research and Public Health*: Special Issue “Understanding Complex Pathways from Physical Environment to Health in the Era of Ambient Sensing and Big Data” (with Dr. Behram Wali)

Journals

- *Landscape and Urban Planning* | *Cities* | *Journal of Planning Education and Research* | *Urban Studies* | *Transportation Research Part D* | *Environment and Planning B* | *Case Studies on Transport Policy* | *Sustainability* | *Transportation Research Record* | *International Journal of Environmental Research and Public Health* | *Sensors* |

Landscape Research Record | International Journal of Sustainable Development & World Ecology | Urban Design International | Forests

Conference Abstracts

- *Transportation Research Board Annual Meeting*
- *CELA (Council of Educators in Landscape Architecture) conference*
- *World Symposium on Transport and Land Use Research (WSTLUR)*

CERTIFICATES

Certificate in Effective College Instruction, The Association of College and University Educators and the American Council on Education (Apr. 2021)

Remote Pilot Airman Certificate, U.S. Federal Aviation Administration (Feb. 2017)

Engineer Landscape Architecture License, Human Resource Development Service of Korea (Jun. 2007)

PROFESSIONAL AFFILIATIONS

Member, American Planning Association (APA)

Member, Association of Collegiate Schools of Planning (ACSP)

Member, Congress for the New Urbanism (CNU)

Member, International Association for Society and Natural Resources (IASNR)

Member, International Association for China Planning (IACP)

Member, Korean Landscape Council

Member, Korea Planners Association

Member, Korean Association of Space & Environment Research

Member, Urban Design Institute of Korea

Member, Korean Institute of Landscape Architecture
